Design With Ease

Accent provides easy-to-specify lighting tools.

• Enjoy lighting design freedom through a broad range of Accent luminaire configurations.
• Stand-alone Accent luminaires.
• Option of Sculpt linear lens modules and Sculpt ceiling kits.

Innovation to support design symmetry.

• Exclusive, patent-pending end-mount innovation and mini driver technology allow the positioning of Accent at the end of runs or in the corner of geometric forms.
Discreetly dot the ceiling line.

Paired with lensed modules, Accent adds depth by breaking up long lines of light.
Design With Ease

A range of premade combinations to meet various design needs.
