Sculpt SideStep
Creative Architectural Pendant Lighting
Sculpt SideStep features aluminum extrusions with seamless mitered corners for a refined architectural esthetic.
Sculpt SideStep

Capture the ethereal beauty of illuminated inner space

Create stunning, open-center LED luminous forms only 1.5” high.

Sculpt SideStep delivers an affordable, stylish architectural solution. It combines clean lines and thin, minimalist square and rectangular standalone forms to enhance the decor. The elegant negative space creates a weightless appearance.

Cable mount

Single canopy / point of suspension

* Available only for 2’x2’ and 3’x3’
Sculpt SideStep

Streamlined forms adding character to any space

Choose from six narrow to wide Sculpt SideStep lighting kits featuring soft, uniform direct/indirect lighting from a single light source with attractive projected lensing. Integral driver and battery pack included.

This new arrival in the Sculpt family provides a distinct balanced glow. Appealing diffuse light is spread over entire surface area of one-piece lens ensuring balanced luminance and visual comfort.

Projected lens:
1 1/2” (H) x 13/16” (W)

Extrusion:
1 1/2” (H) x 1 1/16” (W)

Total width (extrusion and lens):
2 7/8”
About Axis Lighting

Founded in 1991 and still family owned and managed, Axis is an important source for architectural lighting across North America and around the globe.

Over the last decade, the company has exhibited remarkable growth thanks to its commitment to Design Flexibility, Optimal Energy Efficiency and Responsive Customer Care. That leadership effort now extends to developing Innovative Lighting Technologies, such as SurroundLite™, on an ongoing basis.

On the strength of a broad and expanding product line, Axis has successfully completed lighting projects for high-profile clients including Apple, Chrysler, The Empire State Building, Google, Hyundai, Time Warner and McGill University, among many others.

Axis has the drive and the expertise to meet your needs and provide architectural lighting... your way.
